

REMARKS

This is in response to the requirement for restriction or election.

In response to the Examiner's requirement, applicant through her attorney, hereby elects Specie V, represented by Figures 11 and 12. It is deemed that Claims 1, 2, 7, 9, 10, 11, 12 and 14 read on the elected Specie V. It is further considered that Figure 13 is pertinent to Specie V.

This election is made with traverse. It is deemed that a complete search, examination and office action on the elected embodiment would require a complete search, examination and office action of the other species. As such, it is urged that no additional burden would be placed on the Examiner by withdrawing the requirement to elect and issuing an office action on all of the embodiments of the instant application.

Favorable reconsideration and a Notice of Allowance are hereby requested.
